

Ridesharing Makes \$ense!

OC RIDESHARE PROGRAM

How we commute to work impacts traffic, air quality and often our nerves. To help you find better and easier ways to commute from home to work, CEO Human Resource Services created the **OC Rideshare Program**. Learn about the program through special presentations, the County Commuter Newsletter and the detailed OC Rideshare web pages. Check it all out today.

How to kick-start your ridesharing efforts:

START CARPOOLING — To help you find the right carpool partner, we'll add you to the secure **Carpool/Vanpool Match List** on the secure IntraOC. With this tool you can contact co-workers interested in carpooling from your general area or along the route.

START RIDING THE TRAIN OR BUS — With the **Try-Transit-On-Us** program you'll be reimbursed for 75%, then 50%, then 25% of your ticket price if you send us proof-of-purchase once a month for the first three months.

START VANPOOLING — The **Carpool/Vanpool Match List** is also a great way to find groups of employees with similar commutes. In addition, with the **Start-a-Vanpool** program you could be eligible for a \$300 incentive when you lease a vanpool vehicle.

PAY FOR BUS, RAIL, VANPOOL WITH PRE-TAX DOLLARS — Purchase transit or vanpool "tickets" through a monthly payroll deduction and reduce your taxable income by up to \$255 per month. Simply enroll in the Commuter Choice program and save!

GO ELECTRIC — Need a nudge to purchase or lease an electric vehicle? Employees who do may be eligible for a \$100 incentive through the **Get-A-Charge-On-Us** program.

JOIN THE CLUB! — It's easy! If you carpool, vanpool, take the train or bus, bike or walk to work you can register for **Club Rideshare**. Members are eligible for monthly drawings, merchant discounts and other contests plus a monthly e-Bulletin that highlights additional discounts, alerts and fun things for rideshare participants. You may also be eligible for a \$40 incentive when you register, and a \$15 incentive when you renew annually.

EMERGENCY RIDE HOME — If an emergency arises on a day that you rideshare to work, catch a ride using any transportation service. Submit your receipt and you could be eligible for reimbursement of that cost.
