

# Dana Point Grand Prix

The Dana Point Community Cycling Foundation and the Dana Point Grand Prix of Cycling are adding a new element to this year's event: The Killer Cove Road Time Trial on Saturday, April 10th between 8:00am and 1:00pm. The 2.25 mile Time Trial will enter the Harbor from Golden Lantern, turn right and travel along the Dana Point Harbor Drive bike lane, then climb up Cove Road. This will result in a reduction to one lane on southbound Golden Lantern between Del Prado and Dana Point Harbor Drive, and the closure of the uphill lane of Cove Road during the race.
