CEO Names New Director for OC Waste & Recycling Department

(Santa Ana, CA)—County Executive Officer Thomas G. Mauk appointed Michael Giancola as the Director of OC Waste & Recycling effective Jan. 30.

As head of OC Waste & Recycling, Giancola will oversee one of the largest public waste disposal networks in the nation. He most recently served as Deputy Director of OC Waste & Recycling's South Region Division and has more than 20 years of progressive service with the County of Orange.

"After completing a very competitive recruitment process, I am confident that Mike will be successful in working with Orange County cities and our private sector partners in effectively and efficiently managing solid waste disposal and recycling," said Mauk.

Giancola has a Bachelor of Arts degree in Business Administration from the University of Phoenix and a Hazardous Materials Manager Certification from the University of California, Irvine. He is also a Board Member of the Solid Waste Association of North America.
