### About the OC VEC

The Orange County Veterans Employment Committee is a nonprofit organization dedicated to helping veterans obtain gainful employment. The OCVEC works in partnership with the EDD and the Orange County Veteran Services (OCVSO) to help Veterans overcome barriers to employment and achieve their educational and career goals.

I wish to cordially invite you, your business colleagues and friends to join us as an exhibitor and/or sponsor to show appreciation for the men and women in uniform who have served our nation.

The event, in its 28th year, will host a myriad of employers, resources and services offering outstanding opportunities for our attendees.

Veterans possess impeccable character traits including maturity, integrity, dedication, loyalty, strong moral and ethic conviction.

Additionally, Veterans work well under pressure, prioritize, excel as team players and exercise initiative, which is invaluable to employers in today's competitive labor market.

At a time when many employers are having difficulty finding qualified employees, Veterans are a PRICELESS resource and asset that is essential to the SUCCESS of any business. U.S. military Veterans are proven to be highly trained, disciplined, have developed strong leadership skills and are able to work independently. At the Honor a Hero, Hire a Vet Job and Resource Fair, you can showcase your business and meet candidates face-to-face.

Veterans attending will range from those who are seeking new careers to those who are looking for their first job since returning from the military.

The fee to exhibit is \$250 and sponsorship opportunities are attached for your additional interests. Employer set-up will be from 7:30 AM to 8:15 AM, and the opening ceremonies begin 8:30 AM. The event is Veteran focused, but open to all job seekers, there is no entrance fee or fee for parking.

On behalf of the event Steering Committee and myself, we thank you in advance for joining us and playing a integral part in the success of our event.
