The  
Secret Garden  
Frances Hodgson Burnett

Orphaned Mary Lennox comes to live at her uncle's house on the Yorkshire Moors, and she finds it full of secrets. The mansion has nearly one hundred rooms, and her uncle keeps himself locked up. At night, she hears the sound of crying down one of the long corridors. The large gardens are Mary's only escape. Then, Mary discovers a secret garden, surrounded by walls and locked with a missing key. With the help of two unexpected companions, she discovers a way in. Is everything in the garden dead, or can Mary bring it back to life?

Guest Author P. J. Colando

PJ Colando is the author of contemporary women's fiction. Her novels, Stashes and Hashes & Bashes, demonstrate a humorous, satiric slice of American life. Her third novel in the series, Cash to Dash Down Under, will be published soon.
