January - April

Alice's Embrace is a non-profit organization devoted to providing hand-knit and hand-crocheted prayer shawls and lap blankets to those suffering from Alzheimer's disease. We seek volunteers to knit and crochet the patterns that we have created. Through the loving hands of many generous and talented people, this endeavor will help warm, comfort, and soothe these dear folks facing the daily challenges of the disease. Together, we're making a difference.

September - December

Red Scarf Project Foster Care To Success

Starting in August, knitters across the country begin crafting scarves for the Red Scarf Project, which sends care packages to college and training program students who have experienced foster care. Every Fall, Foster Care to Success relies on the red scarves to fill Valentine's Day care packages that are mailed to its students.
