Playing to learn new words.
Play is one of the best ways for children to learn language and literacy skills. Play helps children feel a sense of accomplishment and self-confidence. This motivates them to try new experiences and not to give up when something seems difficult. Also, it’s fun!

FIVE LITTLE FROGGIES
Five little froggies sat on a shore.
(Crouch like a frog)
One went for a swim, then there were four.
(Pretend to leap and swim off)
Four little froggies
(Crouch like a frog)
Looked out to sea.
(Put your hand at brow and look out to sea)
One went swimming, and then there were three.
(Pretend to leap and swim off)
Three little froggies said, “What can we do?”
One jumped in the water, then there were two.
(Pretend to leap and swim off)
Two little froggies sat in the sun.
(Crouch like a frog)
One swam off, and then there was one.
(Pretend to leap and swim off)
One little froggie said “This is no fun!”
He dived in the water, and then there were none!
