Bread & Butter

Bread and butter,
Marmalade and jam!

Let's say hello
As loud as we can:

As quiet as we can...

Continue with other opposites:
fast/slow, high/low, and more!

Grown-up Tip

Thinking about opposites can help build a child's observation, communication, and comprehension skills. Think of as many opposite ways to say hello (or goodbye) as you can! Try thinking of and discussing more abstract opposite pairs - does a bird have an opposite? What is the opposite of a shoe? See how far your child's imagination can go!
