## Where Is Rectangle?

Tune: *Where Is Thumbkin?*

Where is rectangle?

Where is rectangle?

Here I am!

Here I am!

How are you today, sir?

Very well, I thank you!

Run away.

Run away.

Repeat with a variety of shapes:  
circle, square, triangle, star, and  
more!

## Grown-up Tip

Recognizing basic shapes and colors is a great skill to master as children are preparing to enter kindergarten. Practice identifying them in real life - what shapes can you see out your car window? Or, try some fun stretches and see if you can create different shapes with your body!
